JUSTICE FOR SARA

A Thriller
Erica Spindler

Kat McCall was seventeen when her sister Sara was murdered, brutally beaten to death with a baseball bat. And as her sister lay dying inside the home they shared, Kat claimed she was locked in her bedroom, unaware of the tragedy unfolding just outside her door. In **JUSTICE FOR SARA** (St. Martin's Press, August 6, 2013), *New York Times* bestseller Erica Spindler delivers a fast-paced whodunit, an ingeniously-plotted thriller, in which the entire cast of characters seems suspect.

Liberty Chief of Police Stephen Tanner was convinced it was Kat who carried out the crime, and so had her charged and tried. But in the case of the People of Louisiana vs. Katherine Ann McCall, Kat was found not guilty.

Ten years have passed since Kat picked up and left little Liberty, Louisiana – and the site of her sister’s murder – for a fresh start on the west coast. End of story—except despite moving more than 2,500 miles from her childhood home, Kat still receives the letters. Letters, taunting her, threatening her, and demanding she seek justice for Sara’s death. Finally prompted to move home to catch the killer no one else could and seek justice for both her and her sister, Kat snoops around and gets hot for the police chief’s son, Sergeant Luke Tanner. Together the two reopen the decade-old case, reconvening with the leading players: Danny Sullivan, her sister’s ex-boyfriend and gambling addict; Ryan Benton, Kat’s gold-digging, short-tempered ex-flame; and Bitsy Cavanaugh, Kat’s jealousy-riddled childhood friend.

Spindler expertly interjects Kat’s detective work with riveting flashbacks to that fatal day 10 years ago, helping to unravel the mystery and expose long-hidden secrets. Readers will be left clamoring for clues hidden between the lines and second-guessing their own detective work. And even after the true killer is revealed, there are a few mores stones left to unturn...
